Delivering Excellence in Education, Every Day! Grow, Reach, Succeed

Warren Families,

I am thinking of you all and hoping you are staying safe and healthy during these unprecedented events. Below is a very brief summary of our plans for the remainder of the year.

School Closure: Through the end of the school year.

Meals: Starting 3/23 Grab-n-Go meals (breakfast and lunch) will be provided for all children 18 and under. A map of locations is located here: <http://www.tusd1.org/GrabAndGo> If you need assistance finding locations, please call (520)225-4700.

Teachers have been working hard to make sure they understand how they will be providing students needed information, remote teaching, and support so all students can continue to grow and learn.

TUSD has posted learning resources on the TUSD website that can be used to keep our students engaged in academic activities this week: www.tusd1.org/LearnFromHome A sample schedule is also posted for your reference: www.tusd1.org/Portals/TUSD1/District/docs/LearnFromHome/SampleSchedule.pdf Again, these are resources and not a requirement.

Teachers will continue to send out information and activities for your students to work on till the end of the school year. Please make sure you reach out to teachers if you have not heard from them. Starting the week of March 30th you will be receiving work via the internet, Class Dojo, and hard copies if needed. Please let your teacher and/or me know what we can do to help you.

This is a challenging time for us all, please feel free to email me with questions as I am working from home as much as I can but will be stopping into Warren when needed.

For the most updated information please visit our TUSD Covid-19 page www.tusd1.org/COVID-19 Links to all of these services are also located at the top of our school's website www.tusd1.org/Warren and many fun activities have been posted on Warren's Facebook page at <https://www.facebook.com/tusdWARREN/>

Sincerely,

Jill Requarth Ronsman M.A. C.A.A.
